

iAlert FAQ

How do the listings work?

Morning closings will be cleared from the system at 9:35 a.m. Afternoon closings will be cleared from system at 7:35 p.m. Schools are instructed to call after 8 p.m. for next day closings

Rule of thumb: *If you see something before 9:35 a.m. it's for today -- if it's after 9:35 a.m. it's for the afternoon/evening of today. Before 7:35 p.m. it's for today. If it's after 7:35 p.m. it's for tomorrow.*

How do I make sure I'm seeing the latest iAlerts?

Every three minutes we send the latest school closings to the iAlert page.

If you don't refresh the screen, it will do so automatically after 10 minutes.

Closing information will also be listed at www.wkyc.com, www.wtam.com, wmvx.com, wmji.com, wgar.com, kisscleveland.com, wmms.com, 640whlo.com, wkdd.com, 1350radiofreeohio.com

Class Cancellation Information

St. Paul CCD/EDGE/CHOSEN Programs participate in the **iAlert** system.

iAlert is a service operated by WKYC-TV and NEWSRADIO WTAM 1100. I have enclosed a list of Television and Radio stations which will post the cancellation of Sunday Morning CCD Classes, Sunday night EDGE & Chosen, and Monday Evening CCD Classes.

I have the capability to cancel individual sessions as well as entire weekend and weekday evening sessions. Should Sunday Morning be cancelled, there is still the possibility for both EDGE/Chosen and Monday Evening classes to occur.

Additionally I will send out an email to all teachers asking them to contact their classes AND I will send an email to all CCD/EDGE/CHOSEN families. If Sunday morning classes are cancelled, it does not mean that Sunday night classes are cancelled, so please watch the weather and if it looks questionable then be aware that another iAlert and email might occur for Sunday night. If things clear up for Sunday night then nothing more will be sent and classes will occur as usual.

EDGE

Cancellations may occur from 9:30 AM Sunday Morning through 5:00 PM Sunday Evening.

SUNDAY MORNING

Cancellations may occur from 7:30 PM Saturday Evening through 8:00 AM Sunday Morning.

MONDAY EVENING

Cancellations may occur from 9:30 AM Monday Morning through 5:00 PM Monday Afternoon.

If North Canton Schools are closed Monday Morning, there will be NO CCD classes that evening.
